

Low-Cost Spay & Neuter

20 MILLION DOGS AND CATS ARE KILLED EACH YEAR—at least half because a) no one wants them; b) of overpopulation; c) there are too many puppies and kittens born each year that aren't adopted. The rest by accidents, poisoning, exposure, starvation and disease. Most of these are the unwanted puppies and kittens of family pets.

Won't you please help? Contact us for information about spaying/neutering your pet.

Can't afford it? Ask us how you may qualify for financial assistance.

Why Spay or Neuter?

- Less likely to run away!
- Improved Health!
- Longer Life!
- Helps Reduce Animal Overpopulation!
- Be Your Dog's Best Friend (or Your Cat's Meow)!
