

Every mile you walk,  
we donate to your  
local animal shelter.

Go to [WoofTrax.com](http://WoofTrax.com)  
to get the App.  
Take a *Walk for a Dog* every day!

## Support our shelter just by walking a dog or yourself!

**What is it?** Walk for a Dog is a smartphone application that supports your local animal organization every time you walk your dog. You can choose "Gaston County Animal Shelter" to help your local shelter pets!

**How does it work?** After you download the app onto your smartphone, take the phone with you when you walk your dog(s). Press the Start Walking button and the app will keep track of your walk. When your walk is stopped it is credited to your selected shelter. The more people walking for the shelter, the more that can be donated, so please spread the word by referring friends and sharing the app on social media.

**What if I don't have a dog?** Can I still use the app? Absolutely! You can walk for dogs at our shelter by choosing the "Walk for Cassie" option after enrolling in the app for the first time. Or, create your dream dog as a walking companion by going to the setup tab and adding a dog.
