Site Address _____ City _____

Intended use of power _____

Portion of the site to be Energized _____

*I understand that I am requesting temporary power only for the portion/s of the building that has been approved by Gaston County Building Inspections. This temporary power is good only for the completion of construction and testing of the building systems. **THE BUILDING IS NOT TO BE OCCUPIED UNTIL A CERTIFICATE OF OCCUPANCY IS ISSUED.** The use of temporary power will comply with the North Carolina Administrative code as well as the North Carolina Electrical code. **Any violation of those codes will result in the immediate disconnection power.***

I agree to post the placard of temporary power provided by Gaston County Building Inspections in the vicinity of the energized portion of the building, and that all sub-contractor working on this site will be made aware that portions of this site have been energized. Also each this placard will not be removed until a certificate of occupancy has been issued or temporary power is removed.

I herby agree to indemnify, defend, and save harmless Gaston County, its employees from any and all liability arising from electrical service being either connected or disconnected from the above mentioned premises as requested/ allowed by this application.
