

**Gaston County  
Gaston Natural Resources Department  
1303 Dallas-Cherryville Highway, Dallas, NC 28034**

**Soil Erosion & Sedimentation Control  
Application Process**

**All land disturbing activities that uncovers and/or disturbs (1) acre or more are required to submit a Soil Erosion & Sedimentation Control Plan for review at least thirty (30) days prior to project initiation to:**

**Gaston County Natural Resources Department  
1303 Cherryville Hwy  
Dallas NC 28034**

**WHAT IS NEEDED:**

- 2 sets of blueprints**
- 1 set of calculations**
- 1 Financial Responsibility/Ownership Form (Signed and notarized)**
- 1 completed Checklist Form**

**PAYMENTS:**

**Payments should be made by check or money order to: Gaston County**

**FEES:**

**\$300 non-refundable plan review processing fee for each acre of disturbed land or any part of an acre of disturbed land (including off-site borrow and waste areas). No processing fee will be charged for a revised plan unless the revised plan contains an increase in the number of acres to be disturbed.**

**Example: 1.0 acre = \$300.00**

**1.1 acre = \$600.00**
