PETITION FOR NAMING PREVIOUSLY UNNAMED ROAD

WE, THE UNDERSIGNED PROPERTY OWNERS, REQUEST THAT THE ROADWAY WHICH ADJOINS OUR PROPERTY FROM THE INTERSECTION OF _____ TO ITS END BE OFFICIALLY NAMED:

1ST CHOICE: _____

2ND CHOICE: _____

3RD CHOICE: _____

THIS ROADWAY IS LOCATED IN _____ TOWNSHIP AND IS SHOWN AS TAX ID: _____.

The naming of this road is for the sole purpose of locating citizens and property by public safety personnel (police, fire, and rescue) in the event of an emergency. We also understand that the name requested above will not be accepted if it is a duplicated road name (phonetically or otherwise similar), regardless of the street name suffix (road, drive, court, etc.). This is to help ensure that in the event of an emergency, public safety personnel will reach the correct location.

In order to select a non-duplicating road name, it is recommended that the Gaston County Planning and Development Services be contacted in advance to verify the availability of a name. It is also beneficial to check on three or more names at one time to help ensure that the name appearing on the petition is acceptable and will avoid delays in the naming process.

This petition should be signed by ALL property owners of record with property adjoining this roadway regardless of residence. Only the signatures of property owners or persons representing corporations are valid. The signatures of renters, other family members, etc., will not be considered.

Petitions bearing less than 100% of property owner signatures will be forwarded to the Gaston County Planning Board for review. (Property owners are notified in advance of the meeting.) Petitions bearing less than 50% of property owners signatures are rejected and returned to the person(s) submitting the petition. All returned petitions will include a written explanation of the reason for rejection.

There is a \$25.00 processing fee for valid petitions and a onetime fee of \$125.00 for each street sign to be placed payable to Gaston County.
